Note Cards

Print on cardstock and trim out design using scissors or an X-acto knife. Score and fold along the lines.
To fold the card, align the edges evenly together and crease.

Inserts for Notecards

Print on light-weight paper such
as regular printer paper (envelopes, too).
Put a little bit of stick glue to the unprinted
side and attach inside of the card.

Envelope

Envelope measures 4 1/4 x 5 1/2 inches. Designed to accompany Half-fold Note Cards.
